COVID-19 Information

The student loan payment pause is extended until the U.S. Department of Education is permitted to implement the debt relief program or the litigation is resolved. Payments will restart 60 days later. If the debt relief program has not been implemented and the litigation has not been resolved by June 30, 2023 - payments will resume 60 days after that. We will notify borrowers before payments restart. Visit [Mohela.com/covid19](https://mohela.com/covid19) or [StudentAid.gov/coronavirus](https://studentaid.gov/coronavirus) for updates.

Keep In Mind:

MOHELA's systems will reflect August 31, 2023 as the end of the payment pause however this date may change if the U.S. Department of Education is permitted to implement the debt relief program or the litigation is resolved before June 30, 2023.

Income-Driven Repayment Account Adjustment

In April 2022, the U.S. Department of Education announced several updates that will bring borrowers closer to forgiveness under income-driven repayment plans. Borrowers who have reached the required number of payments for IDR forgiveness will begin to see their loans forgiven in November 2022.

All other borrowers will see their accounts update in July 2023. If you have Perkins loans or commercially held FFELP loans, you can only get the full benefits of the one-time account adjustment if you consolidate by May 1, 2023.

PSLF Information

If you currently work or previously worked full-time for a government or not-for-profit, you may qualify for Public Service Loan forgiveness. If you have any FFELP loans or Perkins, those loans must be consolidated into a Direct Consolidation Loan, since only Direct Loans are eligible for PSLF. Before you consolidate or apply for PSLF, you can verify eligible employment by completing Step 1 of the [PSLF help tool at StudentAid.gov](#).

Student Loan Debt Relief Is Blocked

Courts have issued orders blocking student debt relief. The Biden-Harris Administration is seeking to overturn those orders. For the latest information regarding the status of student debt relief, visit [StudentAid.gov](https://studentaid.gov).
