Additional Information

- To have the highest possible balance forgiven after you make 120 qualifying monthly payments while employed with a qualifying employer, you should repay your loans under an Income-Driven Repayment plan (Pay As You Earn, Revised Pay As You Earn, Income-Based Repayment, or Income-Contingent Repayment) which reduces your qualifying monthly payment to the lowest eligible payment possible.

Visit MyFedLoan.org/PSLF for more information or to determine if your employment qualifies!

Teaching at an eligible Title I School or Educational Service Agency?

If you teach full-time for five complete and consecutive academic years in a low-income elementary school, secondary school, or educational service agency, you may be eligible for forgiveness of up to \$17,500 on your Direct Loan or FFEL program loans. See StudentAid.gov/teach-forgive for more information and a form you can fill out when you have completed your teaching service.
