---

**NOTE** Your amount due is subject to change for reasons including but not limited to adding, removing, or changing an alternate payment amount, cancelling auto debit, the addition of a deferment or forbearance that covers the debit date, or the addition of new loans to your Nelnet account. This also includes a loan/group pending a final payment in which interest accrual is an estimation and could be impacted by rounding on the actual debit date and additional payments submitted to pay off a loan.
