Still Interested in Public Service Loan Forgiveness? You indicated on your consolidation application that you were interested in the Public Service Loan Forgiveness (PSLF) program. We attached the Employment Certification Form (ECF) for you to complete and return to us so we can start tracking your qualifying payments!

Additional Information

- To have the highest possible balance forgiven after you make 120 qualifying monthly payments while employed with a qualifying employer, you should repay your loans under an Income-Driven Repayment plan (Pay As You Earn, Revised Pay As You Earn, Income-Based Repayment, or Income-Contingent Repayment) which reduces your qualifying monthly payment to the lowest eligible payment possible.

Visit MyFedLoan.org/PSLF for more information or to determine if your employment qualifies!

Teaching at an eligible Title I School or Educational Service Agency?

If you teach full-time for five complete and consecutive academic years in a low-income elementary school, secondary school, or educational service agency, you may be eligible for forgiveness of up to \$17,500 on your Direct Loan or FFEL program loans. See StudentAid.gov/teach-forgive for more information and a form you can fill out when you have completed your teaching service.
