Your eligible loan(s) has been placed on the Saving on a Valuable Education (SAVE) Income-Driven Repayment Plan (IDR). If you were previously on the Revised Pay As You Earn (REPAYE) IDR Plan, it has been replaced by the SAVE Plan. Details about the SAVE plan are below for your review.

New Monthly Payment Amount: \$0.00

If your income or family size has changed, you can ask for a plan recalculation to lower your monthly payment amount. Visit [StudentAid.gov/idr](https://studentaid.gov/idr) to electronically sign and submit a new application. Alternatively, you can self-certify your income and family size through mohela.com until February 29, 2024, to recalculate your payment.

IDR Repayment Plan: SAVE

of Monthly Payments Scheduled for the Plan: 12

Scheduled Begin Date for this Plan: 05/26/2024

NEW: SAVE Plan replaces the REPAYE Plan to offer lower monthly payments

Borrowers on the REPAYE Plan automatically get the benefits of the new SAVE Plan.

The SAVE Plan, like other IDR plans, calculates your monthly payment amount based on your income and family size. The SAVE Plan provides the lowest monthly payments of any IDR plan available.

The SAVE plan differs from other income-driven repayment plans in several ways:

- The SAVE Plan increases the discretionary income exemption from 150% to 225% of the poverty line.
- The plan eliminates 100% of remaining interest for both subsidized and unsubsidized loans after a scheduled payment is made under the SAVE Plan.
- The SAVE Plan excludes spousal income for borrowers who are married and file separately.

Annual Recertification

When you recertify next, for your convenience, you can provide consent for the Department of Education (ED) to obtain your federal tax information directly from the IRS; this will enable ED to automatically recertify your IDR plan annually. Otherwise, we'll send you a reminder prior to the recertification due date.

What to expect

We'll send you a billing statement that shows your new monthly payment amount at least 21 days before your due date. Be sure your contact information is current so you don't miss important updates. You can review and update at mohela.com.

Do You Work in Public Service? Consider Public Service Loan Forgiveness (PSLF).

If you're employed by a government or not-for-profit organization, you might be eligible for the PSLF Program. The PSLF program forgives the remaining balance on your Direct Loans after you've made 120 qualifying monthly payments under a qualifying repayment plan while working full-time for an eligible employer. Learn about PSLF at StudentAid.gov/publicservice.
